I/WE understand that interest will continue to accrue during the month skipped and the loan is extended one month beyond the contracted maturity date.

The SKIP LOAN PAYMENT PROGRAM will allow any member having a loan, current and in good standing, to skip one payment per year. The payment amount remains the same. All Payroll Deductions remain the same. Payments skipped are deposited in the regular savings account and then are made available for withdrawal. Loan types not eligible for this program are Real Estate and Business Loans. All those signed on the original note must sign this skip payment form. **Skip pay fee is \$25.00.**
